### **IN MEMORIAM**

## Robert Sargeant 1958-1975

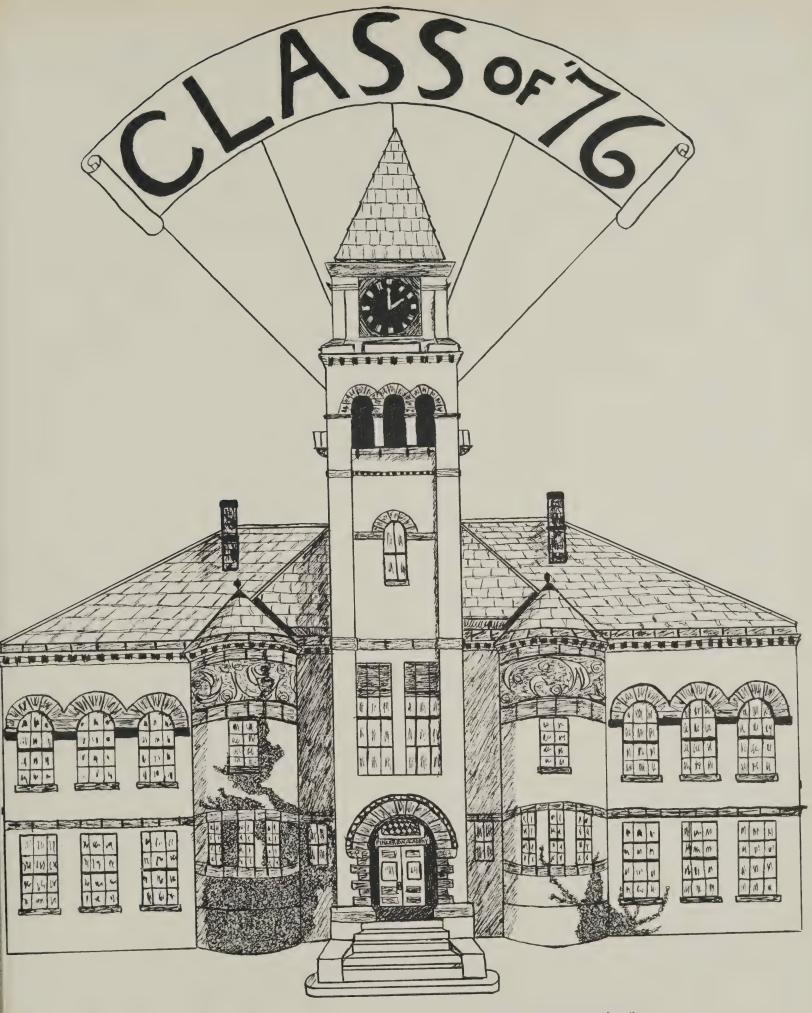

A lovely morning, without the glare of the sun, the sea in great commotion, chafing and foaming.

So from the bosom of darkness our days come roaring and gleaming, Chafe and break into foam, sink into darkness again.

But on the shores of Time each leaves some trace of its passage,
Though the succeeding wave washes it out from the sand.

Henry Wadsworth Longfellow

All to myself I think of you, Think of the things we used to do, Think of the things we used to say, Think of each happy bygone day, Sometimes I sigh, and sometimes I smile, But I keep each olden, golden while All to myself.

Youth is alive, and once we too were young.

Dreamed we could make the world all over new,

Tossed eager projects lightly from the tongue,

And hoped the hurrying year would prove them true.

And it's whispered that soon

If we all call the tune
Then the piper will lead us to reason
And a new day will dawn
For those who stand long
And the forests will echo with laughter.

### **JUNIOR DECLAMATION FINALISTS**

The class of 1976 brought a lighter side to Pinkerton's traditional oratorical contest. Ogden Nash's humorous "The Common Cold" won first place. Participating students elected the piece of literature that they wished to memorize and present before a group of impartial teachers. In May, the five finalists performed their selections before the entire Junior class and a panal of outside expert judges.

D. McCoubry, Biology; J. Connors; Psychology; K. Diffin, Psychology.

Last summer six Pinkerton students attended two Advanced Studies Programs. For six weeks they concentrated in the area of their choice, while taking required English the course. Everyone agreed that the unique learning experience was fun and rewarding.

C. Jeans, W. Wilder, K. MacGibbon, G. Graham.

The students selected to attend Boys' and Girls' State participated in a model government seminar for one week during the summer. Elections were held on the city, town, county, and state levels. Kevin Mac-Gibbon became a county sheriff, and Gordon Graham was elected to the Governor's Council. Although many hours were spent writing campaign speeches and listening to lectures, there was always enough time to make new friends and to enjoy the many social functions.

THE TOWER is Pinkerton's only medium for publishing student literary work. Poems, essays, and short stories are selected and edited by the Tower staff to create a magazine by the students for the school and community. With the assistance of student typists and the business classes, the Tower staff made this year the first of many in which two editions were published.

#### Senatus Populusque Romanus

Senatus Populusque Romanus, better known around Pinkerton as the Latin Club, was very active during the year. In the fall new members were welcomed into the club and encouraged to participate in its activities. A tremendous amount of effort was spent preparing for the first state meeting, which was in honor of Leanne Gulden, the national secretary for the Junior Classical League. The club presented her a plaque. The traditional Thanksgiving basket, which was said to be the best ever, was donated by the club.

As winter began, the members went roller skating and attended the yearly Saturnalia party, where everyone exchanged gifts.

In spring the members went to the 88 Dinner-Theater in Nashua to see "A Funny Thing Happened on the Way to the Forum". By May, each member was saving his money for the National Junior Classical League Convention, August 8-13, at the University of Rochester in Rochester, New York.

#### Foreign Language Club

The Foreign Language Club consists of students interested in foreign cultures. This year the club participated in various activities. In November, the group prepared a Thanksgiving basket and went roller skating in Bedford with the Latin Club. December was highlighted by Christmas caroling at the Hoodkroft Convalescent Home and a Christmas get-together. Winter activities included ice skating and visits to Hoodkroft. The year ended with a banquet at which foreign dishes were served.

Members of the club travelled to Boston to view the bicentennial exhibits there. The club also visited such historical sights as Lexington, Concord, and the Old North Bridge. Many History Club members attended a trip to Washington D.C. and Williamsburg, Va. during April vacation. In May, the club sponsored "Bicentennial Week" here at the Academy. Members of the club would like to express their sincere thanks to Mrs. Brown, our History expert and advisor, who never let us down.

# MAJORETTES

The Pinkerton Academy Majorettes would like to extend a special thanks to Mrs. Patricia Mills Raches. Patty has been coach of the majorettes for almost 11 years. She has been a friend to all and we're deeply sorry that she has retired. Under her direction, we have placed first in New England and New Hampshire State Champs.

The Pinkerton Choral Groups nearly doubled their enrollment over last year. The Glee Club had 90 members, Girls' Glee Club 30, and Madrigal Choir 30. The activities for this year included a Pops Concert, a Christmas Concert, Spring Concert, Sacred Concert, and on March 27, they competed in the Large Group Competition Festival in Concord. In March they participated in Music In Our School's Day. In the spring they did an exchange concert with Manchester Central High. The Choral Groups also participated in the first school musical which was "1776."

This year of the 15 students who tried out for the 1976 All-State Chorus, 8 made it. The preparation involved many hours of after school practice, but it is worth the honor that is achieved.

## BAND

The marching band had a very successful year. They participated in several parades and also provided halftime entertainment each Saturday during football season. The highlight of their season was their participation in the Dover Band Show.

Concert Band rehearsed every day throughout the year. They put on several very enjoyable concerts for the public.

Jazz Band, which rehearsed three days a week, also played at the concerts. In addition, they competed in the annual U.N.H. Jazz Festival.

Pep Band, which was student organized and directed, helped to promote spirit throughout the basketball season.

Bob, you're so saxy.

#### CHEER

The Pinkerton Academy Cheerleaders promoted school spirit by making posters and keeping everyone informed of upcoming events. Under the guidance of Miss Cote, their advisor, they practiced numerous hours in preparation for the upcoming games.

To strengthen their technique and spirit, the cheerleaders attended a summer cheering camp at Orono, Maine. They won a trophy for excellence and two blue ribbons based on appearance, style, and ability. This excellent team proved to be an asset to the football and basketball teams and to the school.

Despite an unimpressive-looking record of 4 wins 8 losses 2 ties, Pinkerton Academy's first soccer team was successful. The team lost three games by one goal, and never were beaten by more than three goals. The team finished tied for third place in its conference.

Led by a sophomore-junior dominated unit, the defensive play was excellent. The offensive play was spotty. Although scoring well in the first games, Pinkerton's offense was shut out for six straight games in the middle season, but they didn't lose in the last five games.

Leading the team in offensive play and scoring was All-Stater Siggy Trocha.
